ADVANTAGES

- **VERSATILE:** From roadside assistance calls to recovery jobs or transportation contracts, the sheer versatility of the 20TB series allows you to do anything. Get ready for the action, anytime, anywhere.
- **MORE PROFITS:** While the versatility of the 20TB Series means you earn more, its legendary reliability keeps maintenance costs to a minimum. Do more. Spend less. Make money.
- **EASY RECOVERY?** With their superior construction, NRC Carriers make recoveries safer, easier and more cost effective. Use the roller guide and recovery spades to side or straight pull from the end of deck. Now, an essential piece of equipment that's both powerful and affordable.
